

Salty's House Rules

Settle in, sit back and enjoy...and please treat our home like your own.

no shoes please

especially on the rugs – this also helps reduce noise for our neighbours

NO smoking, NO drugs

smoking and/or drug use is not allowed anywhere within the home, including on the balconies – and extra charges will apply if any evidence of smoking or drug use is found

party-free fun zone

no parties, loud music, drug use or noisy gatherings please...we love our neighbours!

no pets

due to our property's strata rules, your furry friends must stay at home

leave it as you found it

please clean the BBQ, oven and stove if you use them – and when it comes to dishes, simply pop them in the dishwasher and turn it on as you leave

use ONLY what you need

we supply lots of little extras to make your stay comfortable – but please take only what you need

think of the planet

keep windows and doors closed if you are using heating or air con,
and always switch off lights and appliances when you go out

bin it

as you leave, please pop your rubbish in the big industrial bins by the garage

checking out

please follow the check-out guide and be punctual when you leave to avoid extra charges
(and to keep Salty beautiful!)

stay and play - with care

Salty's games, toys and decor items are here for you to use, enjoy and admire - but please do so with care and respect. **Charges will apply for any damages, breakage and theft.**
